Niva Bupa launches Personal Accident Plan to ensure customers live care free

New Delhi, Niva Bupa Health Insurance Company Limited (Formerly known as Max Bupa Health Insurance Company Limited) - one of India's leading standalone health insurers, has introduced a standalone Personal Accident Plan to financially secure policy owners and their family members in case of death, partial, temporary, or permanent disability. The plan has been designed with the objective to urge customers to live life the way it is meant to be lived - minus of any fear. True to the concept behind host of unique benefits, the product is launched with 'live it up' campaign which encourages customers to live life to the fullest. The Personal Accident Plan offers sum insured of up to 25 times of annual income.

One of the key highlights of the Personal Accident Plan is the Temporary Total Disablement (TTD) benefit which provides 2% of Base Sum Insured per week (maximum of INR 1

lakh per week) to provide financial support to policyholders to compensate for the temporary loss of income that may happen in case of an accident. The company is also providing TTD for non-earning members at 1% of Base Sum Insured per week (maximum INR 25K per week) as well. This benefit will be provided even for incidents such as Coma & Burns. The plan also offers loan protector as an additional benefit which will protect people from the outstanding principal amount of the loan in case of death of the policyholder. This will ensure protection of financial liability & assets, providing security to the families.

Commenting on the launch of the new product, Mr. Krishnan Ramachandran, MD and CEO, Niva Bupa, said, "Accidents are very common, and anyone can suffer accidental injuries irrespective of their occupation, age, or health conditions. It could be anything ranging from traffic accidents to an ani-

mal bite. According to Ministry of Road Transport and Highways, Indian roads witness 415 deaths per day in accidents, the highest in the world, with 1.5 lakh people killed and more than 3.5 lakh crippled annually.

Commenting on the launch Dr. Bhabatosh Mishra, Director - Underwriting, Products & Claims, Niva Bupa said, "Accidents have always been a big cause of concern. Any accident, whether minor or major disrupts the usual routine of the customer. While a minor accident may require bed rest for a few days or weeks, causing a loss of income for that period, a major accident can lead to partial or permanent disability or even death. In such a scenario, the family members not only have to deal with emotional loss but also have to fulfill the financial duties. Keeping this in mind, we have designed a Personal Accident Plan to protect our customer's financial needs in case of any tragedy.

Govts should take HC nod before withdrawing cases against MPs/MLAs: SC

New Delhi, The Supreme Court on Wednesday observed that governments should take approval of the respective high court before withdrawing criminal cases filed against MPs/MLAs. The top court emphasized that there is nothing wrong in withdrawing cases of malicious prosecution, but the high court must examine such cases.

A bench headed by chief justice N.V. Ramana said: "We are not against the withdrawal of cases if there is a malicious prosecution. But this needs to be examined by the judicial officer in the high court. If the high court agrees then the cases can be withdrawn". Senior advocate Vijay Hansaria, appointed amicus curiae in a 2016 petition filed by advocate Ashwini Kumar Upadhyay seeking direction to fast-tracking of criminal trials against sitting and former MPs/

MLAs, has filed a report in the top court. He has been assisted by advocate Sneha Kalita in the matter.

The report said the state government has informed the amicus that 510 cases relating to Muzaffarnagar riots of 2013 were registered in five districts of Meerut zone against 6,869 accused. Out of these, in 175 cases, the charge sheet was filed, in 165 cases final reports were submitted, and 170 cases were expunged. Thereafter 77 cases were withdrawn by the state government under Section 321 of CrPC.

On Wednesday, Hansaria contended that each case may have a reason order. The bench also comprising justices D.Y. Chandrachud and Surya Kant said it cannot examine all the cases, and let them go to the high court.

Court says Rane's arrest 'justified', warns him against repeating 'slap slur' offence

By Quaid Najmi
Raigad (Maharashtra), In a significant ruling, the Mahad Court has held that the arrest of Union Minister Narayan Tatu Rane by the Maharashtra Police was "justified" in the case pertaining to the 'slap slur' against Chief Minister Uddhav Thackeray, and ordered him not to repeat it. While sending Rane, 69, to Magisterial Custodial

Remand till September 4, the Mahad Court Judicial Magistrate First Class (JMFC) S.S. Patil ruled: "Considering reason of arrest and reasons discussed above (in the order), I found that arrest is justified."

Spelling relief for the police, the court also held that there are grounds in the Criminal Procedure Code when "a police officer can arrest anybody without a warrant".

The JMFC's ruling effectively punctures the opposition Bharatiya Janata Party (BJP) leaders' allegations targeting the Maha Vikas Aghadi government for the 'illegal arrest' and dark warnings that it could lead to repercussions.

Shortly after Rane was granted magisterial custody for 10 days, his legal team comprising lawyers Rajendra Shirodkar and Sangram Desai applied for bail which was granted by JMFC Patil imposing several conditions late on Tuesday.

The Assistant Public Prosecutor Prakash Joshi and his team of lawyers strongly opposed the bail, submitting that the accused was a Union Minister who could make similar statements which could lead to disharmony among the people.

However, the court said that "no prejudice will be caused to the prosecution if the accused (Rane) is released on bail on certain terms and conditions".

In the Mahad Court, Rane said he was not ill-treated by the police, was ready and willing to cooperate with the investigations, would not abscond, furnish surety and abide by any terms and conditions imposed upon him.

Rane has not denied the 'slap slur' offence against the Chief Minister made out by the police and now has been advised by his lawyers not to make such statements in public, but was not prepared to give any written undertaking to the effect before the

court. The JMFC further held that all the offences, cognisable and non-cognisable, registered against Rane are triable by the court.

"Offences under Sections 153-A(1)(b),(c) and 505(2) of the Indian Penal Code are non-bailable, but not punishable for imprisonment for life or death. The offences are punishable which may extend up to three years.

Rest of the offences (189, 504, 506 of IPC) are bailable," said JMFC Patil. Citing grounds for rejecting police custodial interrogation, the court said that Rane made the alleged 'slap slur' statements before the police and the media, it was viral on social media, and his lawyers have also now advised him to refrain from making such utterances in public. --IANS

Australian travel bans lowered Covid cases by 88%: Study

Canberra, Australia's national science agency has developed a tool capable of forecasting the number of coronavirus infections on each international flight to the country. The model, which was developed by the Commonwealth Scientific and Industrial Research Organization (CSIRO), uses the number of incoming travellers and the rate of Covid-19 infection in their country of origin to estimate case numbers aboard a flight, reports Xinhua news agency. Jess Liebig, a CSIRO research scientist, said it would act as another tool to aid government decisions on travel restrictions and opening borders. "The model is a flexible framework that can be used to quantify the effects of travel restrictions and to evaluate proposed relaxations," she said in a statement on Wednesday.
